**WOULD YOU LIKE TO BE A
HOST FOR THE**

STUDY TOUR?

Ripley Valley State Secondary College is currently
recruiting homestay families for short term
students in their International Student Program 2026

*A homestay is a private home accepting overseas
students to live
as a part of their family*

OVERVIEW

It is not a matter of simply renting out a room in your house. You are effectively the student's "parent" whilst they are studying at Ripley Valley State Secondary College.

Host families can be an **individual, couple or family** preferably located within the school catchment area with easy access to public transport.

Being a homestay host can be a very rewarding experience where cultures are exchanged and lifelong friendships are often established

Host families receive a fortnightly tax-free payment which covers the cost of student's meals, accommodation and access to all amenities. **All members of host families aged 18 years and over require a valid Blue Card for Working with Children.**
